Follow this organiser's process. Some groups allow arrival without booking; others require a reserved place. Membership does not necessarily reserve a session. Check the actual listing rather than assuming a national description applies locally.

Optional question template: "I'm thinking of coming on my own. Could you confirm [the specific detail missing from the listing]?" This is a suggested template, not an attendee quote.

Free planning sheet. Entries stay in this tab; nothing is saved or sent. Keep a printed copy if useful. Based on the researched guide checked 21 October 2026; this card prepared 24 October 2026. No RGD product test or attendance is claimed.
